CITIZENS PARTICIPATION

Mr. Ernie Holman, 4033 Cheviot Drive, said he wishes the City would help the people who are losing their homes, the widows and those having a hard time buying their medications instead of taking more revenues out of the budget every year.

Mr. Robert Lane, 2003 Lynn Lea Road, discussed the parking ordinance and requested clarification as to where you can park on your property. He has four (4) vehicles and a trailer and all of that cannot fit in his driveway. Wherever he parks his cars, he gets a citation and feels he is being stonewalled.

Mayor Conner said that is why people are having parking pads poured. The purpose of the new ordinance is to keep people from parking in their yards rutting it up where no grass can grow and also from making it their everyday all the time place to park. The number one complaint code enforcement and the employees at City Hall receives are cars parking in their front yard making ruts in their yards.

ADJOURN:

There being no further business to come before the Council, motion by Mr. Wathen, second by Mr. Vance to adjourn the meeting.

All in favor signify by saying aye. Those opposed, no. Ayes have it, so ordered. Motion carried. Meeting adjourned at 7:55 p.m.
